SEMCO Teak Sealer

Long lasting natural looking protection. Lasts through the season and can be renewed without deep cleaning or stripping for years. SEMCO Teak Sealer is a solvent based teak finish containing colour pigments, UV inhibitors and moisture protection to protect teak from the damage caused by the elements.

Available in several shades.

Cleartone - contains no pigment and is therefore not as resistant to the elements and requires more frequent re-coating.

Natural - the favorite shade for yachtsmen, will give the wood a 'sandy tan' colour of weathered teak.

Honeytone - the most popular choice for our furniture customers. This shade gives the wood a rich 'honey' colour, similar to the colour of the wood when it is new.

Goldtone - will give the wood the 'reddish brown' colour of new teak.

Classic Brown - will give the wood the 'dark brown' colour of teak when wet.

Coverage approximately 30m²/gallon
2 Coats required for initial application to give an even finish
Available in US Gallon (3.79L) - US Quart (0.95L) - US Pint (0.47L)

Semco Online is a major distributor of SEMCO Teak Care Products in the UK and Europe.

Invented in 1976, SEMCO was developed as the leading teak protection product in America. SEMCO is now used in numerous markets worldwide including furniture, construction and yachting.

SEMCO products are renowned for their ease of use, their durability in all weather conditions, and exceptional finish.

After 35 years, SEMCO is still highly regarded and sought after by industry leaders worldwide

Complete Use & Care Directions

Coverage approximately 30m²/gallon
(2 Coats required for initial application to give an even finish)
Available in US Quart (0.95L)

SEMCO Clearcoat

SEMCO Clear Coat provides a more impervious surface to food and oil stains and imparts a rich patina to the teak. SEMCO Clear Coat can be applied by itself or over SEMCO Teak Sealer. It will darken the shade of the wood slightly.

Available in
US Gallon (3.79L)
US Quart (0.95L)

Coverage approximately 30m²/gallon

SEMCO 2 Part Cleaner

SEMCO 2 Part Cleaner is the simplest and most thorough way to clean teak. It deep cleans teak without harsh scrubbing to remove greying, food stains, fuel stains and teak oils.
PART 1 dissolves dirt and old sealers
PART 2 brightens teak and neutralises

Available in
US Gallon (3.79L)
US Quart (0.95L)
US Pint (0.47L)

Coverage approximately 30m²/gallon
